

Art Class Introduction

Course Introduction

- Students will learn and identify the art elements (line, color, texture, value, shape, space and value) and principles of design (rhythm, balance, movement, emphasis, pattern, contrast, etc.) in their artworks and those of artists in history from different cultures.
- Students will become familiar with drawing tools and techniques, art history, different color theory, Chinese painting, Chinese character art, basic design and so on. The class will be very fun.
